

## Call for Abstracts for CIN Spring Gathering

### Call for Abstracts for CINetwork Spring Gathering

The CINetwork will be hosting its 13th Large Event: a virtual spring gathering:

***"Igniting HIV-STBBI Change Through Community Innovation"***  
***Friday May 27, 2022.***

We are seeking presentations from community organizations or organizations working in the community who are conducting projects, programs, pilot projects that are tackling HIV-STBBI's in innovative ways.

#### **Call for abstracts will close March 31, 2022**

Our review panel will review all the applications for consideration

For your abstract please consider the following:

- Maximum 250 words. Content submitted after the word limit will not be included.
- Goals
- Activities
- Impact
- Challenges
- Lessons learned
- For measurement and evaluation abstracts, please include background and methods
- In your submission, please highlight how this work is relevant to the CINetwork work to tackle HIV-STBBI systems change.

**Submit Your Abstract to [www.surveymonkey.com/r/CINAbstract](https://www.surveymonkey.com/r/CINAbstract)**

#### **Registration:**

Registration for the CINetwork Spring Event is free. We will reach out to you regarding next steps if your abstract is selected for an online presentation.
